SEPTEMBER 2026 BUSINESS UPDATE

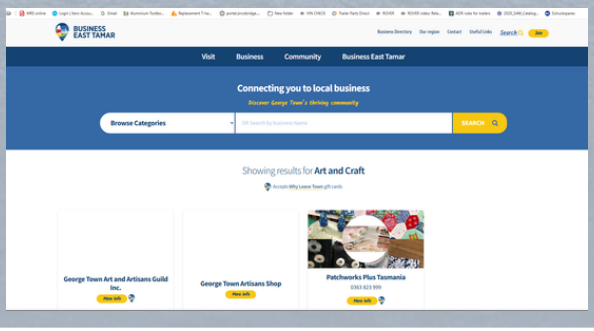

WEBSITE UPDATE

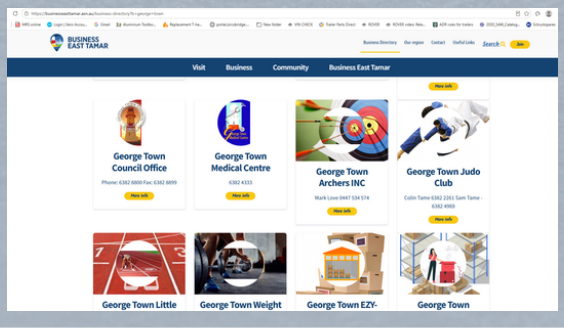

Our new website is now live with an improved business database that is easier for visitors and locals to navigate.

Please check that your business is listed and the details are accurate. Send additions or changes to liaison@businesseasttamar.asn.au.

We have also added a "Job of the Week" feature administered by NEBhub. Vacancies can be sent to clint.sheehan@bbamz.com.au.

It is planned that the website be promoted through Facebook to increase traffic to the site. We expect the business data base to be the main reference for householders and visitors to the East Tamar region looking for businesses, community organizations or work. We will be contacting businesses regarding links to the site and opportunities to cross promote later this year.
